A public collection of old household electrical and electronic goods and batteries will take place in the above locations.

Members of the public are encouraged to bring any old electrical or electronic goods or batteries to these days for recycling.

All old domestic electrical equipment and batteries will be accepted **FREE OF CHARGE** for recycling - from large appliances (fridges, cookers, washing machines) to smaller items (such as toasters, kettles, stereos, TVs, tools, PCs and monitors) and batteries (such as AAs and car batteries)

Domestic waste, chemicals, paints, green waste, medicines or aerosols will **not** be accepted
