

Recycle for good...

Visit weeireland.ie/battery-recycling-challenge for more details. Will you Recycle For Good?

A MESSAGE FOR PARENTS

The WEEE Ireland Schools Battery Recycling Challenge is a **FREE Waste Battery Recycling Programme** that educates and encourages environmental awareness among students.

How you can support your child's battery recycling:

1. Challenge your family to become Guardians of our Planet!
2. Collect the waste batteries in your home
3. Place them into your WEEE Ireland Blue Battery Box
4. Once your Blue Battery Box is full, return them to your child's school for recycling

Recycling your families waste batteries ensure precious materials can be recovered for re-use in manufacturing, and any hazardous waste is disposed of safely. As a family you'll learn the importance of recycling, help protect the future of our environment and support families cared for by LauraLynn.

The Schools Battery Recycling Challenge also offers students the chance to win fantastic prizes for the most batteries collected per school. Ask friends, family and neighbors to support you and get as many waste batteries as you can!

To find out more, please visit weeireland.ie/battery-recycling-challenge

...the power is in your hands!

Recycle waste batteries to protect our environment and support LauraLynn, Ireland's Children's Hospice. LauraLynn Ireland's Children's Hospice. Registered Charity Number 20154844.
