the **€750,000**
donation mark for
LauraLynn!

The Schools Battery Recycling Challenge is a **FREE Waste Battery Recycling Programme** that educates and encourages environmental awareness among students.

So let's fill the blue WEEE Ireland Battery Recycling Boxes! Recycling your waste batteries ensures precious materials can be recovered for re-use in manufacturing and hazardous waste can be disposed of safely, protecting the future of our environment. Plus your recycling efforts will support the families cared for by LauraLynn, Ireland's Children's Hospice.
