

WEEE Ireland Schools Battery Recycling Competition 2025-2026

Terms & Conditions

1. WEEE Ireland Schools Battery Recycling Competition is open to all Primary and Secondary schools that collect a minimum of 10 full 5kg Battery Boxes in WEEE Ireland Battery Recycling counties.
2. Only collections of used batteries, booked with, made by and logged with WEEE Ireland's merchandisers by the competition closing date 30th April 2026 can be counted as entries.
3. Entries are automatically logged when collected when collection by WEEE Ireland's merchandisers. A minimum of 10 full 5kg boxes is required to book a collection.
4. Entry is open from September 2025 to April 2026.
5. Prize winners will be notified when all collections are completed.
6. There are three entry categories of schools in Primary and three entry categories in Secondary, based on school size/number of students in the school:

Primary schools' categories are:	
SMALL	Less Than 100 Students
MEDIUM	Between 101-299 Students
LARGE	More Than 300 Students
Secondary Schools' categories are:	
SMALL	Less Than 300 Students
MEDIUM	Between 301-599 Students
LARGE	More Than 600 Students

7. A prize will be awarded to the school with the highest weight of batteries collected in each of the categories above (3 Primary and 3 Secondary), once all collections are completed.
8. Prizes are €2,000 sports vouchers, 1 each per winning school (6 overall winners; 3 Primary and 3 Secondary).
9. Prizes are non-transferable and no cash alternative is available.
10. Unauthorised removal of waste batteries of any type from registered WEEE Ireland Battery Collection Points (retailer, recycling centre, business or other) is not permitted.
